Summary

Performance media buyer managing paid acquisition for 10+ brands in Saudi Arabia and Egypt since May 2025. I plan, launch, test and scale campaigns across Meta, Google, TikTok and Snapchat, and judge them on cost per result and return on ad spend. Work spans e-commerce, education, home improvement, healthcare and SaaS, with about $200K in managed ad spend.

Key results

- Managed about $200K in ad spend across 4 platforms (SAR 389K · USD 84K · EGP 796K).
- Drove 4,400+ tracked purchases for an education brand on Snapchat and TikTok; Snapchat returned 3.29× ROAS ($58.3K → $191.7K in sales).
- Scaled Snapchat daily spend from about $100 to $4,500 while keeping cost per purchase near $27.
- Generated 10,000+ conversions on Google Ads for five home-improvement brands in KSA, with Search leads at SAR 32–47.
- Moved an e-commerce brand from DM sales to a tracked Shopify funnel: 3.87× ROAS on Meta, best ad at 6.81×.
- Delivered 1,637 sign-ups at EGP 9.85 each for an online English course on Meta (best campaign: EGP 4.20).
